

# UNIVERSITY OF NEW HAVEN

## LOCAL FEEL. GLOBAL REACH.

### Quick Facts

**7,600** Students

**100+** Undergraduate  
Majors and Programs

**85+** Undergraduate  
Minors and Certificates

**90+** Graduate Programs

**19** Average Class Size

**14:1** Student to Faculty Ratio

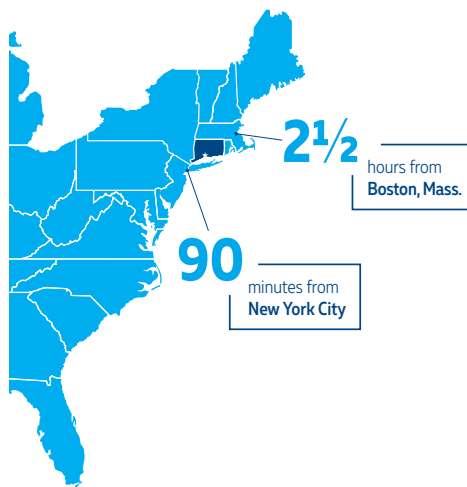

**70,000+** Alumni Community

**79+** International Countries  
Represented

### Location

The University of New Haven has resided in the shoreline city of West Haven, Connecticut since 1960. This ideal location provides easy access to New York City and Boston, two of the largest cities in the United States and home to some of the world's leading businesses, organizations, hospitals, and educational institutions.

West Haven offers nature-lovers the longest shoreline in Connecticut, while the more urban-minded can enjoy the cultural attractions and culinary delights of New Haven with just a 10-minute ride.

### Graduate Scholarships and Assistantships

All qualified candidates are reviewed for scholarship and assistantship opportunities upon submitting a complete application. For application deadline details, visit: [newhaven.edu/graddeadlines](https://newhaven.edu/graddeadlines).

#### Graduate Dean's Scholarship

- 10-50% tuition award
- Full-time master's students are selected for a Dean's Scholarship after a careful review of a new candidate's application material to consider their academic merit.

#### Graduate Provost's Assistantship

- 75% tuition award
- 550 paid work hours per year in academic department
- Awarded to outstanding applicants

### Undergraduate Scholarships

Undergraduate applicants will automatically be considered for merit scholarships from \$15K-\$32K when they apply for full-time undergraduate admission. For application deadline details, visit [newhaven.edu/ugdeadlines](https://newhaven.edu/ugdeadlines).

### RECOGNIZED FOR EXCELLENCE

Named a top-tier comprehensive university in the North by *U.S. News & World Report*

Named a "College of Distinction" by *Colleges of Distinction* for the 15th consecutive year.

\* Online Only Program

\* STEM Program

**STEM DESIGNATION** – To earn the federal government's STEM designation, programs must focus heavily on the fields of science, technology, engineering, or math. In addition, STEM-designated educational programs may enable international graduates to remain in the United States for an additional 24 months after graduation to receive training through work experience
